Dear Mr. Uenishi (The Maneger)

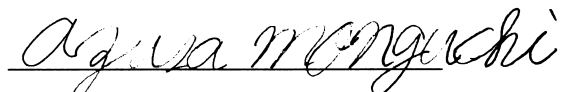

I read with interest your advertisement for Disney markeing in this morning's Japan Times. I wish to be considered for the post.

For the past 3 year, I have studied practical English at Mukogawa Women's University. I will complete the program within 2 years. In addition to the normal computer skill of typing, my instruction included Word, Excel and Power point. My typing speed is 45 words per minute. Our class also had limited practice, making own homepage and presentation by Power point 2013. My TOEIC score is 470 (November 26th , 2013) and obtained pre 1st grade of STEP in June 20, 2013, MOUS Excel Expert.

I was born in Katano; I am 21 years old and single. My main interests is playing the piano, an abacus and watching TV(a Japanese drama).

I am available to begin work next year, and I can attend an interview any time at your convenience. I look forward to your reply.

Sincerely yours,

Azusa Monguchi
